DOUANES ET ACCISE

Le tableau ci-dessus ne comprend pas le montant éventuel à recevoir, évalué à $160,797, qui représente les droits et taxes prélevés lorsque les importations de véhicules à moteur ou de pièces de véhicules à moteur ne remplissent pas les conditions exigées par la loi, particulièrement en ce qui concerne le programme relatif aux véhicules automobiles. Ce montant estimatif comprend uniquement les cas où le Ministère a établi que les sociétées en cause n'ont pas satisfait aux exigences de la loi. N'est pas non plus comprise dans les comptes à recevoir la partie non acquittée des droits et taxes imposés à l'égard de certaines importations temporaires pour lesquelles on cherche à obtenir un dégrèvement par l'intermédiaire de décrets du Conseil d'une portée semblable à celle des décrets du Conseil en vigueur à l'égard de catégories déterminées d'importations temporaires.

The recapitulation by province comprises the total revenue received by ports of entry located within a province and does not necessarily reflect the tax burden levied on residents of that province.

Le sommaire par province comprend le revenu total reçu par les bureaux d'entrée situés dans une province, mais il ne reflète pas nécessairement le fardeau de la taxe imposée aux résidents de cette province.

CUSTOMS AND EXCISE

Not included in the above is a contingent receivable estimated at $6,324,066 for duties and taxes resulting from failure to meet the requirements of the law in connection with the importation of motor vehicles and motor vehicle parts, having particular reference to the automotive program. This estimate includes only cases where the Department has ascertained that companies have not fully complied with the conditions specified. Also the receivables do not include the unpaid portion of duties and taxes on certain temporary importations where approval for relief is being sought by Orders-in-Council similar in extent to that applicable under continuing Orders-in-Council to specific types of temporary importations.

DOUANES ET ACCISE

Le tableau ci-dessus ne comprend pas le montant éventuel à recevoir, évalué à $6,324,066, qui représente les droits et taxes prélevés lorsque les importations de véhicules à moteur ou de pièces de véhicules à moteur ne remplissent pas les conditions exigées par la loi, particulièrement en ce qui concerne le programme relatif aux véhicules automobiles. Ce montant estimatif comprend uniquement les cas ou le Ministère a établi que les sociétés en cause n'ont pas satisfait aux exigences de la loi. N'est pas non plus comprise dans les comptes à recevoir la partie non acquittée des droits et taxes imposés à l'égard de certaines importations temporaires pour lesquelles on cherche à obtenir un dégrèvement par l'intermédiaire de décrets du Conseil, d'une portée semblable à celle des décrets du Conseil en vigueur à l'égard de catégories déterminées d'importations temporaires.

The recapitulation by province comprises the total revenue received by ports of entry located within a province and does not necessarily reflect the tax burden levied on residents of that province.

Le sommaire par province comprend le revenu total reçu par les bureaux d'entrée situés dans une province, mais il ne reflète pas nécessairement le fardeau de la taxe imposée aux résidents de cette province.

CUSTOMS AND EXCISE

Not included in the statement is a contingent receivable estimated at $300 for duty resulting from failure to meet the requirements of the law in connection with the importation of motor vehicle parts, having particular reference to the automotive programs. This estimate consists of only one case where the department has ascertained that the company has not fully complied with the conditions specified. Also the receivables do not include the unpaid portion of duties and taxes on certain temporary importations where approval for relief is being sought by Orders-in-Council similar in extent to that applicable under continuing Orders-in-Council to specific types of temporary importations.

DOUANES ET ACCISE

Non compris dans le relevé est un compte à recevoir d'un montant estimatif de $300 visant des droits provenant d'un manquement aux exigences de la loi en ce qui concerne l'importation de pièces de véhicules à moteur et ayant trait, en particulier, aux programmes relatifs aux véhicules automobiles. Cette estimation vise un seul cas dans lequel le Ministère a établi que la société ne s'était pas entièrement conformée aux conditions fixées. Les comptes à recevoir ne comprennent pas non plus la partie non acquittée des droits et des taxes exigés à l'égard de certaines importations temporaires pour lesquelles il est demandé, par voie de décrets du Conseil, une exonération semblable à celle qui s'applique, en vertu de décrets du Conseil permanents, à des cas précis d'importations temporaires.

The recapitulation by province comprises the total revenue received by ports of entry located within a province and does not necessarily reflect the tax burden levied on residents of that province.

Le sommaire par province comprend le revenu total reçu par les bureaux d'entrée situés dans une province, mais il ne reflète pas nécessairement le fardeau de la taxe imposée aux résidents de cette province.

Excise Revenues collected by this Department during the fiscal year 1970–71, 1971–72 and 1972–73.

Recettes d'accise perçues par ce Ministère pendant les années financières 1970–71, 1971–72 et 1972–73.

CUSTOMS AND EXCISE

Not included in the statement is a contingent receivable estimated at $1,200 for duty resulting from failure to meet the requirements of the law in connection with the importation of motor vehicle parts, having particular reference to the automotive programs. This estimate consists of only one case where the department has ascertained that the company has not fully complied with the conditions specified. Also the receivables do not include the unpaid portion of duties and taxes on certain temporary importations where approval for relief is being sought by Orders-in-Council similar in extent to that applicable under continuing Orders-in-Council to specific types of temporary importations.

DOUANES ET ACCISE

Non compris dans le relevé est un compte à recevoir d'un montant estimatif de $1,200 visant des droits provenant d'un manquement aux exigences de la loi en ce qui concerne l'importation de pièces de véhicules à moteur et ayant trait, en particulier, aux programmes relatifs aux véhicules automobiles. Cette estimation vise un seul cas dans lequel le Ministère a établi que la société ne s'était pas entièrement conformée aux conditions fixées. Les comptes à recevoir ne comprennent pas non plus la partie non acquittée des droits et des taxes exigés à l'égard de certaines importations temporaires pour lesquelles il est demandé, par voie de décrets du Conseil, une exonération semblable à celle qui s'applique, en vertu de décrets du Conseil permanents, à des cas précis d'importations temporaires.

The recapitulation by province comprises the total revenue received by ports of entry located within a province and does not necessarily reflect the tax burden levied on residents of that province.

Le sommaire par province comprend le revenu total reçu par les bureaux d'entrée situés dans une province, mais il ne reflète pas nécessairement le fardeau de la taxe imposée aux résidents de cette province.

CUSTOMS AND EXCISE

Not included in the statement is a contingent receivable estimated at $25,985,744 for duty resulting from failure to meet the requirements of the law in connection with the importation of motor vehicle parts, having particular reference to the automotive programs. This estimate consists of eight cases where the department has ascertained that the company has not fully complied with the conditions specified. Also the receivables do not include the unpaid portion of duties and taxes on certain temporary importations where approval for relief is being sought by Orders-in-Council similar in extent to that applicable under continuing Orders-in-Council to specific types of temporary importations.

DOUANES ET ACCISE

Non compris dans le relevé est un compte à recevoir d'un montant estimatif de $25,985,744 visant des droits provenant d'un manquement aux exigences de la loi en ce qui concerne l'importation de pièces de véhicules à moteur et ayant trait, en particulier, aux programmes relatifs aux véhicules automobiles. Cette estimation vise huit cas dans lesquels le Ministère a établi que la société ne s'était pas entièrement conformée aux conditions fixées. Les comptes à recevoir ne comprennent pas non plus la partie non acquittée des droits et des taxes exigés à l'égard de certaines importations temporaires pour lesquelles il est demandé, par voie de décrets du Conseil, une exonération semblable à celle qui s'applique, en vertu de décrets du Conseil permanents, à des cas précis d'importations temporaires.

The recapitulation by province comprises the total revenue received by ports of entry located within a province and does not necessarily reflect the tax burden levied on residents of that province.

Le sommaire par province comprend le revenu total reçu par les bureaux d'entrée situés dans une province, mais il ne reflète pas nécessairement le fardeau de la taxe imposée aux résidents de cette province.
